It's Time To Make Our Vision OUR REALITY

Our Beloved Parishioners,

We hope this letter finds you well. We are writing to you today with a heartfelt message about a shared dream that has lived in the hearts of many in our parish, the dream of building a new church home, next to the Shrine of Our Lady of Lebanon 449 Hwy 77 Leamington, ON.

After much planning, we are pleased to share that architectural drawings for our new church building have now been completed. This is a significant and exciting milestone that brings us one step closer to realizing the vision we have carried together. With this progress, we are now at a defining moment, the time has come to discern together, as a faith community, whether we are ready to move forward with this endeavor or if we will set it aside and work with the church we have.

We ask you to reflect on two essential questions:

1. Are you personally committed to building a new church?

The drawings are not just lines on paper, they represent the future of our parish. A new space designed to serve our growing needs and welcome future generations. Do you believe this new church should be built?

2. Will you financially support the building of the new church?

As we move forward in faith, it's important for us to understand the financial commitments that will make this vision possible. The estimated cost of construction is \$6,000,000, and your support will play a vital role in bringing our new church to life.

Let us know where you stand:

Name: _____ Address: _____

Phone: _____ Email: _____

Are you in favour of constructing a new Church, next to the Shrine?

Yes

No

Are you willing to financially support the construction of the new Church?

Yes

No

If in favour, what amount would you contribute towards construction?

\$

Cash In kind Donation receipt will be provided for tax purposes.

We truly appreciate you taking the time to read this letter. Your thoughts and insights mean a great deal to us and will play an important role in shaping the final decision.

We kindly ask that you share your feedback before January 7th, 2026, so together we can bring this vision to life or temporarily set it aside and work with the current church facility, until the community is ready to undertake this project.
